Re: General Notice Letter for the CES Environmental Services, Inc. – Houston Superfund Site

Dear Mr. Werner:

The purpose of this letter is to indicate Sun Coast Resources, Inc.'s willingness to enter in good faith as a Settling Party and to request that we be considered as a "de minimis" party. We believe that "de minimis" status is appropriate in our case because the amount of waste and the toxic/hazardous effects of the waste contributed are minimal in comparison to other substances at the site.

Please let us know if you require further information. Our Environmental Compliance Manager, Susan Tyler, is familiar with this matter and can be reached by phone at (713) 429-6732 or by email to styler@suncoastresources.com. I will remain the primary contact for Sun Coast in the legal matter.

Sincerely,

Beryle McHenry
